Chewies GOODIES MINI & MAXI

PREMIUM

No GOODIES? Not with me!

To make joint activities lots of extra fun, we created wonderfully small and super tasty GOODIES. These are real favourite treats – for good boys and good girls! These popular treats with our classic bone shape are ideal for use during training because they are not greasy, do not crumble and are small enough to be gone in one bite. Work is not interrupted for a treat and our four-legged friends stay motivated. Our tasty little training helpers are available in two sizes – MINI and MAXI. We produce all six of our favourite varieties carefully in Germany without flavour enhancers or added sugar. And free from genetic engineering and animal testing too. We pay very close attention to this because environmental and animal welfare aspectsspells responsibility to us. All our four-legged friends get THE favourite-GOODIE. Wanna bet?
