HUNDE ZIGARREN

NOT ONLY FOR CRAZY DOGS!

Chewies DOG CIGARS

PREMIUM

Enjoy like a gentledog – without the smoke, of course!

Chipper dogs are demanding: One moment of pampering a day. It is the least you can do. This makes it all the more important to offer species-appropriate snacks. Our DOG CIGARS are tempting with their easy-to-snap form and are a delight with intensive meat flavour. Lots of meat, no grains, no sugar or other additives – this is how we like to spoil our four-legged friends, naturally and dog-friendly. The flavours horse and ostrich can also score with superfoods. Hemp is rich in fibre and a natural source of amino acids, magnesium, iron and zinc. A true nutrient bomb! Raspberries and redcurrants are also a real vitamin boost.
