Chewies CHEESE POPS

Airy and crispy – the heavenly snack.

Crunchy CHEESE POPS are pure pleasure for dogs of all ages who love to crunch. The basic recipe for our 100 % natural treats consists of fresh cow's milk and a pinch of salt. This is how delicious natural CHEW CHEESE is done. Carefully popped with heat, the result is a unique crispy treat. And the best thing is: The cheese specialities develop their full aroma when they are popped. Our recipe is refined with venison or beef for that special taste adventure. This results in 3 heavenly flavours of airy, crispy CHEESE POPS. Our CHEESE POPS are free from grains and lactose so you can spoil all your canine companions with a clear conscience. The ideal combination of enjoyment and crunchy fun!
