

Chewies rolls

The training snack

A super juicy roll with an intense flavour – makes dogs' mouths water. Our soft Chewies rolls serve as the perfect reward during training. The juicy roll snacks are also great for old-timers and puppies. So beautifully soft that they can be easily chewed. Since they are not greasy, they can easily be stowed in the trouser pocket. We offer the reward as beef rolls and rumen rolls. They are produced in Germany without the use of genetic engineering or animal testing. The ideal reward and motivation for our four-legged friends during training.
