FOR PURBELLO HUNDEROLLEN

FreshCap

Sustainable aroma and freshness protection

We also offer specially designed FreshCaps for our PURBELLO Hunderollen. The sturdy high-quality covers fit the cut surface perfectly and cover it airtight. This keeps wet food fresh and aromatic for a long time, does not release any odours into the fridge and does not absorb any either. Of course, our PURBELLO FreshCaps are food-safe and, thanks to the printed-on logo, cannot be confused with other household covers. The caps are dishwasher-safe and prevent cling film and aluminium foil waste. We offer the stretchable caps in two sizes: one for the 200 g and 400 g Hunderollen and one for the 800 g rolls. A practical and clean solution for the everyday life of dog lovers.
