HIGH QUALITY

All-round care with our dog roll

The recipes of our PURBELLO HundeRolle are ideally adapted to the needs of modern domestic dogs.

With the very high proportion of fresh meat and innards, along with choice additions of fruit and vegetables, dogs are well provided for. The ingredient lists of the 7 grain-free monoproduct flavours are deliberately kept short and therefore also ideally suited for nutritionally sensitive dogs. To maintain normal bones and teeth, the wet food also contains shell limestone as a natural source of calcium.

With its firm consistency, our dog roll is a real all-rounder for every day.
