FILLETS

## All-round care with fillet style

catz finefood Fillets is our delicate complete feed with the finest fillet from Germany as the basic ingredient. The grain- and gluten-free wet food provides cats with all the nutrients they need and is therefore ideal for daily feeding. Our transparent declaration informs cat lovers on all the ingredients. The well thought-out recipes contain chia seeds as a natural source of omega-3 fatty acids. They are also free from flavouring and colouring agents, preservatives and added sugar.

Seven delicate flavours in serving trays of 85 g each bring variety to the menu. Each portion can be quickly and cleanly removed from the practical tray. This delicacy is produced in Germany without the use of genetic engineering or animal testing. True pampering food for all velvety-pawed friends!
