dogz finefood

CLASSIC

Species-appropriate gourmet food for dogs

For gourmets we offer our grain-free complete feed dogz finefood. The carefully selected ingredients in the form of lots of fresh meat or fish and innards, supplemented with other finely balanced ingredients, provide four-legged friends with all the vital nutrients, vitamins and minerals. All flavours are free from flavouring and colouring agents, preservatives or added sugar. dogz finefood is produced in Germany without genetic engineering or animal testing and contains only high-quality ingredients. Six delicious versions with a selection of regional and exotic animal species (including monoprotein flavours) offer furry noses a variety of choices. To help dog lovers find the right portion for their four-legged friends, the tasty wet food is available in four sizes. All dogs are happy about that.

dogz finefood is sooo tasty! Wooffff!
