

Hi,
I AM DANTE.
I don't really like chewy snacks,
but I love
INSECT DENTA BONES!
You can find me and my friends
on the yummeez GREEN LIFE
packaging.

yummeez GREEN LIFE DENTA BONES

DENTA BONES

To support dental care

Say goodbye to plaque – with our environmentally friendly and delicious yummeez GREEN LIFE INSECT DENTA BONES! They are ideal for species-appropriate activities and support dental care while being nibbled with relish. They also contain natural fluoride from millet to maintain strong teeth. Resource-saving insect protein is an ideal alternative for nutritionally sensitive dogs. yummeez GREEN LIFE INSECT DENTA BONES are available in the sizes MINI and MAXI to ensure that lots of pets can enjoy them. Our own dogs confirm this on the packaging. By the way, it is 100 % recyclable and consists of 40 % already recycled material. It goes without saying that our DENTA BONES are made in Switzerland without genetic engineering or animal testing.
